Peter Rosenbaum, President, ASTC

Dear Peter, the Fellows Review Committee recommends that the ASTC Board of Directors elevate Jack Hagler to the position of Fellow of the ASTC.

The Review Committee confirms that Jack Hagler meets the eligibility requirements for Fellowship stated in our ASTC Bylaws. He has been appropriately sponsored by Kimberly Corbett Oates, ASTC and is supported by letters of recommendation by Heather McAvoy, ASTC and myself.

The Fellows Review Committee has a record of the sponsored submission detailing Jack's achievements, contributions to the profession, and especially his contributions to the ASTC organization. The committee has met to discuss this material, and we are confident in our recommendation.

Highlights of Jack Hagler's career and contributions include:

- Membership in the ASTC since 1994.
- A distinguished body of performing arts planning and design work.
- Vigorous promotion of the ASTC and its mission.
- Exemplary service to the ASTC organization, including serving on the Board of Directors for 4 years, ASTC liaison to the IAVM organization since 2005, current chair of the Ethics Committee, and a contributor to the Publications Committee and its ASTC newsletters. In addition, Jack created the concept of what is now known widely as ASTC Presents: The History of .....

This member is highly deserving of the honor of Fellowship. It is the understanding of this Committee that a total of three members can be elevated in this two-year cycle and that this addition would be within the permitted total.

Sincerely,

Robert Long, FASTC  
Principal Consultant
