Dear Peter and Todd:

It is with great pleasure and my honor to recommend that Robert Long, ASTC be elevated to Fellow status in the American Society of Theatre Consultants. There can be no doubt that his thirty year tenure as an essential member of ASTC, his dedicated service, and his significant contributions to the profession of theatre consulting make him eminently qualified and deserving of this honor.

I refer you to Paul Sanow's nomination letter for the extraordinary details of Robert's extensive and illustrious career achievements, and faithful service to our organization. Personally, I know Robert to be a generous friend. His gentle heart and passionate spirit also make him deserving of this honor.

Sincerely,
