Peter Rosenburg, President, American Society of Theatre Consultants, PO Box 22, La Luz,
New Mexico, 88337

PETER, the Fellows Review Committee recommends that the Board of Directors elevate
Michael McMackin to the position of Fellow of the ASTC.

The Review Committee confirms that Mr. McMackin meets the eligibility requirements for
Fellowship as stated in our Bylaws. He has been appropriately sponsored by Ed Kaye and
supported with letters of recommendation from Leonard Auerbach and Bill Conner.

The Fellows Review Committee has a record of the sponsored submission, detailing Mike's
achievements and contributions to ASTC and the profession. Highlights of this member's
career and contributions include:

- Exemplary service in leading the Society as Vice-President and President
- Ongoing service to the Society through many of its continuing initiatives
- A distinguished body of performing arts design work
- Steadfast involvement and commitment to ASTC activities during his career

This member is highly deserving of the honor of Fellowship. The current number of
Fellows in the Society is below the maximum permitted in the Bylaws. Mike's addition as a
Fellow would remain within the permitted total.

The Fellows Review Committee includes members Scott Crossfield, Jack Hagler, Robert
Long and myself. We are very pleased to make this recommendation, and we welcome
any questions or discussion from the members of the Board.

Best regards,
