American Society of Theatre Consultants
Fellowship Committee
Attn: Robert Long

Subject: Letter of Support for Duane Wilson

To the Members of the Committee,

I would like to support the nomination of Duane Wilson for Fellowship in the ASTC. In my two years of working with him on the Society Board have shown me plenty of examples of why Duane should be singled out for this distinction.

Duane works tirelessly in support of this Society. He is a long-time committee member, board member and the guy who does the jobs that need doing, no matter the lane.

He is a theatre professional with a vast knowledge of our industry and is always willing to share his thoughts and wisdom. He is a stalwart on the board. He provides us with the institutional knowledge that forms our foundation and he is active, engaged and works in support the evolving nature of the business and our Society.

He has been and continues to be an integral, outstanding member of the Society and is deserving of its highest honor.

Respectfully,

Grace Gavin Rhodes, ASTC
